Sir:

AMENDMENT AND REMARKS

This Paper responds to the communication from the Examiner mailed August 1, 2003. The Applicant thanks the Examiner for reconsideration of the rejections made in the Office Action mailed April 25, 2003.

Please enter the following amendment to the above-identified application.
Reexamination and reconsideration of the application is respectfully requested.

The Applicant's response to the Office Action mailed August 1, 2003, was due on or before Saturday November 1, 2003 to avoid extension fees. As this date was a

Saturday and the Office was closed, the applicant believes this response to be timely

filed by mailing on Monday November 3, 2003 under 37 C.F.R. § 1.8(a).

ISSUES RAISED IN THE OFFICE ACTION

In the Office Action the Examiner indicated that Claim 1 was rejected under 35 U.S.C. § 102(b) as being anticipated by Guerin (U.S. Patent No. 5,720,114); Claim 2 was rejected under 35 U.S.C. § 103 as being obvious over Guerin in view of Ponich (U.S. Patent No. 3,276,128); and Claims 8-12 were rejected under 35 U.S.C. § 103 as being obvious over Guerin in view of Thiel (U.S. Patent No. 3,367,224). The Examiner has objected to Claim 1, line 4 as requiring proper antecedent basis for the phrase "said leg ends".

The applicant offers the following amendment and remarks in response and by which, the applicant believes, allowable subject matter is achieved.
